PROPOSAL: INVESTING PARTNER WITH AN ENTREPRENEURIAL SPIRIT

YOUR COMPANY IN THE HEART OF EUROPE...
MUNICH, GERMANY WITH A JOINT OFFICE/SERVICES IN DUBAI, UAE

Consider the opportunity to be a partner in a new consulting company that has an incredible return on investment.

BUSINESS DEVELOPMENT MANAGEMENT & CONSULTING

Maximum Consults will develop new business opportunities for international entrepreneurs seeking to expand their product/services in the Gulf region. Support services include setting up operations in Dubai, United Arab Emirates. Dubai offers a tax free zone that will enable you to maximize huge financial gains.

Other areas of consultancy include real estate, education, employment / recruitment, travel related services, information technology, trading, oil investments, etc.

me-millionaire.com

Maximum Consults is launching a website offering members access to infinite business opportunities.

me-millionaire.com is a comprehensive e-preneur service that will provide extensive blue-chip clients, financial investment and database, plus immediate information/services that will lead to huge potential earnings and entertainment.

INVENTION

Maximum Consults is also involved in an environmental friendly invention that will change the image of smokers and the cigarette industry. The invention will be sold around the world and will earn staggering amounts of money.

ONLINE NEWSPAPER

Weltexpress – www.weltexpress.info

The above activities are only the beginning of what will become a high powered and creative consultancy – media service.

The advantages of being a partner in MAXIMUM CONSULTS:

- ? Established office in Berlin, Germany with a sister office in Dubai, UAE, Doha Qatar
- ? Excellent projects with high ROI (Return on Investment)
- ? Future Growth Expansion – Unlimited Resources
- ? Access to blue-chip decision makers in the Gulf and Europe
- ? Tax Free Zone in Dubai
- ? Complete access to every industry and market
- ? Partners will share the wealth of all earnings equally

As your partner, I will operate the day to day business services and provide invaluable experience gained from living and working ten years in the Middle East and Gulf.

Twenty-five years of entrepreneurial enrichment enables me to position the company immediately. Marketing the company will be done in several different ways, utilizing multi-media, but most importantly, our new website –

www.global-expat-counseling.com

A MAXIMUM CONSULTS NETWORK SERVICE!

Projected Income - Diverse Services: Year One

Business Development Management & Consultancy – \$ 250,000

BDM&C will generate excellent income based on service contracts. Therefore, the expectations in year one will require more development time. That is to be expected when offering new consulting services.

Website me-millionaire.com will require an attractive website design. Once the design is complete and the site is on-line, hits will be immediate.

Research has proven that this format is one of the few ways to still earn money with minimal investment. E-preneur is the future in earning substantial income on the web! Additional income will be derived from advertising and sponsors. What is most important is to make sure our members receive excellent information, business client contacts and superb gifts offered through me-millionaire.com competitions, advertisers and sponsors.

INVENTION

Invention! Environmentally friendly, cigarette image enhancement and an innovative product that will be used in every country in the world. In the near future, given the new laws concerning smoking it will be required by law to use this invention in public places when smoking... and, may very well be used at home too!

Inexpensive and easy to manufacture worldwide!

The product will gross millions!
