## **PLAY BALL – BASKETBALL AG**

**Dear Parents,**

Fundamentals, team play and the pure joy of playing basketball will be our weekly task. Every Tuesday from 2:00 – 3:00 PM, our group will learn how to play the game of basketball.

Basketball AG Fee - Each class will cost Euro 2.50 – payments will be made on a monthly basis and each child pays only for the sessions he/she attends.

I am looking forward to instructing another round of Basketball AG. Basketball is a terrific sport that bolsters a young person's self-confidence, discipline and coordination skills. Participating in a team sport is an added value extra-curricular activity. Basketball, a team sport, nurtures the physical and mental development of a child's over-all educational experience.

Having coached / instructed in schools and youth programs around the globe, I look forward to being part of your child's social and physical development.

If you have any questions, please give me a call or send an e-mail.
