**RE: PROPOSAL – OFFER – PARTNERSHIP – PROFIT SHARING
COUNSELING PRAXIS – CENTER – BERLIN**

Dear Partner,

I am a Counseling Psychologist and want to open a Praxis – Counseling Center in Berlin. The office will have to be located in Wilmersdorf/ Charlottenburg or Potsdamer Platz areas.

What I need is office space.

The proposal I am offering is a

PARTNERSHIP – PROFIT SHARING ARRANGEMENT

The arrangement – you and/or your associates provide a furnished office in the above locations.

I will operate the praxis – counseling center.

Profits will be shared on a percentage basis – to be agreed on together.

Psychological counseling services for elite clientele will be the following target groups – VIPS, Corportae Directors, International Businesses, Entertainment Personalities, Executive Managers, International Schools, Professional Sports - Management & Players, Family Dependents, etc.

I've provided counseling services in Dubai, Abu Dhabi, Munich, Berlin and Los Angeles, etc.

Additionally, I have cleints worldwide who use diverse aspects of my counseling – coaching services.

My research indicates the timing to establish specialized and unique counseling services here in Berlin is now. A new global psychological – coaching praxis – center in Berlin would prove profitable and invaluable.

Please let me know if you would like to be my partner, and/or acquire a partner - most importantly arrange office / residential space for the praxis – center.

See the attached description – proposal of the counseling services and counseling fees / structure. It is financially rewarding.

My goal is to begin services October 1, 2007.

I look forward to your reply.

Kind regards,

David Gwodziak, Ed.M., Boston University
