**Why are some people
successful and
others are not ?**

**What separates the
winners from the losers ?**

**What do winners do to
achieve their dreams ?**

**Fact - People Who 'have it
all'
are not in possession of
anything out of the ordinary.
Everyone
can achieve their dreams!**

**The winners use a special
code-
It's called**

THE ZIP ZONE.

**The Zip Zone is a sphere of
good fortune that surrounds
each of us.**

**People who achieve their
dreams use their power
spheres daily.**

**Working from the zone is
called Zip Zoning
and people who use the Zip
Zone are called Zip Zoners.**

**Entering The Zip Zone
Turning On Your Power**

Life is an adventure filled
with challenge.

Zip Zoners realize that success is
attainable when the challenge is
accepted.

Zip Zoners turn on their power with
a positive attitude.

To turn on your power repeat the Zip
Zone Code daily.

The Zip Zone words were carefully
selected to enhance your success and
self awareness.

Refer to the Zip Zone glossary and
power words throughout the day.

The code will keep you focussed and
positively turned on.

The Zip Zoner is an optimist with a
can do attitude.

Even in the face of adversity
the Zip Zoner is filled with a positive
spirit and accepts life's experiences as
a personal challenge.

Commitment

The Zip within your Zone is enthusiasm.

Enthusiasm is strength and your strength is linked to your commitment to succeed.

Staying in the Zip Zone is a commitment to your plan of action.

Success follows those who affirm their goals daily.

Using your Zip Zone power and staying in the Zone requires two commitments.

1. Be Yourself - Always!

Being yourself always begins with a positive attitude. Being positive and observing people and situations around you heightens self awareness.

Self awareness leads to self confidence.

Believe in yourself and do not worry about what other people think of you.

Acknowledge your success through a plan of action and positive spirit.

Make peace with the past and let go of people who are not positive.

Recite the Zip Zone Code to attain harmony and success.

2. Use Your Personal Charm!

Charm is a power successful people use daily. Charm is a personal power that motivates people. Personal success is achieved when others are drawn to your positive spirit, enthusiasm, optimism and can-do attitude. To use your charm effectively apply the following power words to your actions:

Alluring, Captivating, Disarming, Endearing, Loving and Pleasing... Refer to the Zip Zone glossary to gain an understanding of the power of charm and the effortless action required.

Affection and an agreeable nature is a Zip Zoner's charm in action.

Your Zip Zone Power Stays Turned On By Using The 3 Power Spheres Daily

Now that you've recited the Zip Zone Code, committed yourself to the challenges ahead of you and connected the power of charm to your positive spirit you have started Zip Zoning.

Staying in your Zip Zone and turning on can be fulfilled by using the 3 Power Spheres:

Each power sphere is a sphere of good fortune that surrounds the Zip Zoner. The spheres are power shields that

activate joy, well being and success.

Successful people use the power words daily to fulfil their goals.

Use the power words in each sphere to activate your commitment to succeed. To keep your Zip Zone power turned on pick out words each day that will fulfil your goals. Your actions will be rewarded instantly.

Again, refer to the Zip Zone glossary to gain an understanding of the power words used in the power spheres.
